History

Joan Caron, a mother with a developmentally challenged child saw a need for integrated recreation and shared her vision with Lions.

Countless volunteer hours by area Lions, other interested supporters along with generous donations of land, equipment and building supplies has resulted in the beautiful facility that we see today.

Who can use this Facility?

- Children or adults with a developmental challenge
- Families of children or adults with a developmental challenge
- Community groups (subject to availability)
- Prospective supporters

**Camping Season
May 1st to October 31st**
